American Brawn is an energetic non-profit working to pay back and pay forward the commitment and sacrifice our US Veterans and First Responders have given for the protection of our freedom, personal welfare, communities, and country.

**** Our primary mission is SAVING LIVES ****

- * We strive to spread awareness of the tragedy of suicide among Veterans, Active Military Personnel and First Responders, and promote help that is readily available to foster suicide prevention.
- * We also provide grants to First Responder departments for the purchase of life-saving equipment to facilitate ongoing life-saving, granting over \$50,000 to date.

To help support these efforts and our immensely dedicated U.S. women and men, you are cordially invited to the 2022 American Brawn Heroes Gala. Join us to enjoy an evening of Socializing, Dinner, Fun/competitive games, a charity auction and the **Amazing Magicomedy entertainment of Lee Cole.**
